F. No. 1-8/93-PT (Vol. III)

Dated the 15th September, 2015

To,
The Chief Wildlife Warden
Rajasthan

Subject: Committee constituted to decide on future of tiger T-24

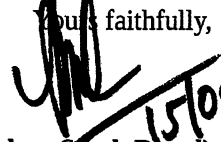

Reference:

1. This office OM of even no. Dated 8.9.15
2. Standard Operating Procedure for Active Management towards rehabilitation of Tigers from source areas at the landscape level
3. Standard Operating Procedure for dealing with emergency arising due to straying of tigers in human dominated landscapes

Sir,

Reference is invited to the subject and documents cited above. In this context it is stated that it has been reliably learnt that a committee constituted to deliberate upon the future of tiger T-24, by your office has been found inadequate in respect of not having a representative of the National Tiger Conservation Authority and an expert member from the Wildlife Institute of India, Dehradun.

This Authority recommends modifying constitution of the said committee keeping in view expertise of the proposed members, so as to take the case to its logical conclusion.

Yours faithfully,

(Bishan Singh Bonal)
